B-Clean Easy Clean Glass

B-clean easy clean glass is a feature of all glass on all Sommer products. On glass treated with B-clean coating, water simply rolls off the glass, taking with it any other dirt, soap residue, oil or grime preventing build up on the glass.

How it works

Under a microscope normal glass has an uneven surface so limescale moisture and grime will build up. B-clean creates a barrier with an even surface that repels this build up.

Kinder to the Environment

B-clean will save you time and is also kind to the environment. It reduces the frequency of cleaning by half and your enclosure, wetroom or screen will not require harsh abrasive cleaning chemicals, which can be damaging to the environment. B-clean saves you time and maintains the superb look of your Sommer shower...

With B-clean

Water rolls off the glass carrying with it any residue, with B-clean your enclosure stays cleaner for longer.

Without B-clean

Water and residue sticks to the glass causing build up that will require more regular cleaning.

MX Shower Trays are the perfect companion to your Sommer Shower or Walk-in.

Producing shower trays in an exhaustive amount of shapes and sizes, MX are the leading shower tray manufacturer in the UK.

Always seeking innovative ideas to improve their product line, MX pride themselves on offering value to customers, cementing this ideal with a 25 year guarantee on all trays.

- The leading shower tray manufacturer in the UK
- Huge volume of tray sizes
- High quality
- Easy to fit
- Simple to specify
- Made in the UK
- 25 year guarantee

Sommer Evolve

Add a touch of luxury to your bathroom with the Evolve shower enclosures. Combining luxury and practicality, this contemporary and stylish range is designed to provide you with the best showering experience.

Key Features include:

- Superb for space saving
- Height 2000mm

- B Clean easy clean glass
- Highly versatile with many different installation options
- High quality

ELEGANT
AND
LUXURIOUS

Evolve Enclosures

Evolve In-Out Pivot

With the Evolve In-Out pivot shower enclosures you do not have to compromise between style and functionality. This range is contemporary and will give your bathroom the minimalist look of a walk-in wetroom but with the warmth and water barrier of a shower enclosure.

EVOLVE -
A TOUCH
OF LUXURY

COMBINING
LUXURY AND
PRACTICALITY

DOOR OPENS BOTH IN AND OUT

The Evolve In-Out pivot is uniquely engineered with a 180° pivoting door that can open out and inwards. This pioneering design feature is perfect for those bathrooms with limited, awkward spaces.

Door opens out to allow bather to operate controls

Door closed

Door opens inwards allowing the bather to exit without water leaking onto the floor.

Adjustments

All Sommer enclosures, wetrooms and bath screens allow adjustments for easy, secure fixing.

The profile is the piece that fixes to the wall and as these profiles have 'adjustments' your enclosure, glass panel or screen can be securely fixed into position, even when walls are not precisely straight or if the thickness of your choice of tiles affects the installation space for your Sommer enclosure.
